Patricia Moody who died on 28.12.18.

A funeral service for Patricia will be held on Wednesday 16th January, 2019 at Holy Cross Cemetery Chapel at 1.15 pm. May she rest in peace. Please keep her family in your prayers at this difficult time.

KENYA

Father David has arrived safely in Kenya! All is well.

Sr. Vincent e-mailed to say:

"Good morning. Greetings from Muhorini. Many thanks for all your support in dealing with the shipment of boxes from St Columba's. and St. Anthony's. Fr. David was in the Centre at 5.30 and a large Fargo courier truck pulled into the centre. We all were overjoyed that they had arrived safely. We rounded up all the workmen to assist in transporting the boxes to the store. Fr. David sorted them out and made up all the packages for our mothers. God bless his strength.

Once again, a big thank you to all in the knitting groups. We hold you all before the Lord in our prayers.

Blessings, Sr. Vincent."

Thank you

to those who gave their time to help in any way to make last Saturday's Mass for the sick and the lunch that followed such a wonderful occasion. Without your help the event could not have taken place.

Thank you to those parishioners who made donations towards the cost of Christmas flowers.

The Young Parish

From time to time we like to feature little articles about our young people and the adventures they face as well as rejoicing in their talents and successes. Please let us know about how they are getting along.

Over Christmas it was great to have Patrick Keys at his home parish for a while. Patrick works for IHP (International Health Partners) which is a Christian organisation distributing and supporting the appropriate use of medicines in the developing world, especially in those areas suffering a result of war or other disasters.

Patrick's role is to support medical teams and make sure that there is the correct system in place to get the right medicines to the right people who know how to administer them. The medicines and supplies have been donated by major pharmaceutical companies. The photo below shows Patrick working with colleagues in a clinic in Juba, South Sudan, which you will know has been devastated by years of civil war. It must be a pretty scary place to work at times. If you would like to know more about IHP and their work, look at www.ihpuk.org.uk

It's wonderful to see our young people dedicating their lives to those in need and Patrick certainly deserves our prayers and support for his courageous work.
