“Update on Tony Searlethank you for all of your enquiries regarding our Tony. He has now had his operation and is beginning his recovery. It will take a while, but he will get there as he is so positive. Happily, he was released from hospital on Thursday. On behalf of our family, I wish to sincerely thank everyone who has asked after Tony, your good wishes, intentions and prayers. I have passed them all onto him. Be assured it has helped and means a lot to us. It has been overwhelming, uplifting and humbling for Tony. Please continue to remember him in your thoughts and prayers. Many thanks. Heather Rogers”

We welcome Father Peter Carr to celebrate Mass with us this Sunday.

Please pray for the repose of the soul of Thomas Hymes whose funeral took place last Friday at St. Columba's. May he rest in peace. Please keep his family in your prayers at this difficult time.

SUNDAY MASS TIMES

As of **Sunday 1st of September 2019** Sunday Mass here at Our Lady and St. Columba's in Wallsend will no longer be at 9.00 am but will be at **9.30 am**. St. Anthony's in Walker will therefore change from the present time of 10.30 am to the new time of **11.00 am**. As we have no Saturday evening Vigil Masses, parents of First Holy Communion children and for that matter parents of all school children find it difficult to get children to Mass if the children have Sunday morning sporting events or clubs to attend. The new times mean 9.30 am Mass at St. Columba's and 11.00 am Mass at St. Anthony's is more convenient for people in both Parishes with those circumstances.

Thank you Father David

The Mercy Project at St. Mary’s Cathedral

The Mercy Project is the name for St. Mary’s Cathedral Outreach project. It has the simple mission of aiming to relieve suffering and distress of people who are in need because of their youth, age, ill health, disability, financial hardship or other disadvantage in the North East. They are promoting two new projects”**Best School Holiday Ever**” and “**Dementia Café**”. Please see notice board for more details of these exciting new projects.
